Kudligi Tahsildar's C.No.752/50.1.B.1. dated 17.2.50.

I enclose copies of the reports of the officer-in-charge of Survey and Land Records Chittoor and the Tahsildar Kudligi. I agree with the Tahsildar that it is not possible for him to attend to this special work which requires an officer of the Deputy Tahsildar's cadre exclusively for work. The District Surveyor states that one Deputy Tahsildar is quite necessary for a period of one month at least to do the final check of the street survey at Kudligi.

2. I therefore request that the Board may be pleased to address the Government to accord sanction for the employment of one Deputy Tahsildar for a period of one month from the date of employment for the final check of street survey and to examine the demarcation in Kudligi panchayat area. The officer-in-charge of Survey & Land Records, Chittoor is awaiting the appointment of a special Officer to send him the connected records. This work has to be finished before the end of April 1950.

The work in the field relating to the survey of the street of Kudligi panchayat has been completed. The total length of streets surveyed is about 2.71 linear miles.

In accordance with rule 201 of Chapter XIII of the Madras Survey Manual Vol.I, a special officer of rank not lower than ~~than~~ of a Deputy Tahsildar is requested to be appointed for a period of 2 weeks for the final check of the street survey and to examine the demarcation and see that the interests of Government are safeguarded.

As the time required for the final check is short, perhaps the Tahsildar, Kudligi can attend to it at intervals without detriment to his regular duties and finish it before the end of April 1950.

I request you to examine the proposals and if you agree I shall send him the records on receipt of your instructions.

I submit that I have now heavy procurement and other work in connection with the intensive food cultigation schemes. I cannot therefore attend to the special work of final check of the street survey at Kudligi, without detriment to my other work. A

I request that a special Deputy Tahsildar may be appointed separately for this work.

Reference:-

The Collector of Bellary is requested to state whether a peon is not necessary to the Special Deputy Tahsildar to be employed for the final check of the street survey made in the Kudligi Panchayat.

2. Generally the employment of a special Deputy Tahsildar will be allowed roughly a month for every nine linear miles of survey done. It is seen from the report of the Range Officer, Chittoor that he has recommended the employment of the staff for a period of only two weeks. The Collector is therefore requested to state why he has now recommended the employment of the Special staff for one month.

3. He is also requested to obtain and submit the resolution of the Kudiligi panchayat agreeing to bear 1/3 of the gross cost of the staff proposed.

I enclose a copy of the resolution of the Panchayat Board, Kudligi agreeing to bear 1/3 of the gross cost of the Special staff proposed for final check of the street survey in the panchayat area of Kudligi panchayat Board. B

I also recommend the employment of one peon under the Special Deputy Tahsildar to be employed for the final check as the services of a peon are quite necessary while carrying on the survey operations.

The Range Officer, Chittoor had recommended the employment

of a Special Deputy Tahsildar for a period of two weeks but the District Surveyor working under me had suggested that the special staff was necessary for about a month. Hence I recommended the employment of the special staff for one month.

I request that the Board may be pleased to obtain the sanction of the Government at an early date for the employment of the special staff.
